Donation versus selling decision guide

Decide whether an item is worth the effort of selling.

Three steps

1. Estimate realistic proceeds
2. Consider effort and deadline
3. Choose a fallback

A worked example

Item	Chair
Likely net sale	25
Effort	Two hours
Deadline	Friday
Decision	Donate

Consider whether 25 is worth two hours and storage.

Check donation acceptance rules.

Donation versus selling decision guide

Use one row per item or decision. Start with what you know.

Item	Likely net sale	Effort	Deadline	Decision
