Family outing cost comparison

Plan a family outing with all common costs included.

Three steps

1. List realistic options
2. Add common costs
3. Compare with available budget

A worked example

Outing	Museum
Tickets	24
Travel	10
Food	16
Total	50

The outing totals 50 before extras.

Check current prices and opening hours.

Family outing cost comparison

Use one row per item or decision. Start with what you know.

Outing	Tickets	Travel	Food	Total
