Household warranty folder index

Find warranty information before a repair or claim.

Three steps

1. Check warranty terms
2. Record purchase information
3. Keep supporting evidence

A worked example

Item	Washer
Purchase date	May 2025
Warranty end	May 2027
Receipt location	Appliance folder

The receipt location helps start a warranty inquiry.

Do not store serials publicly.

Household warranty folder index

Use one row per item or decision. Start with what you know.

Item	Purchase date	Warranty end	Receipt location
