Moving day cost reconciliation

Compare moving estimates with final receipts.

Three steps

1. Record written estimates
2. Keep final receipts
3. Compare and review differences

A worked example

Cost	Van
Estimate	150
Actual	180
Difference	30

The van cost 30 more than estimated.

Check agreed terms and taxes.

Moving day cost reconciliation

Use one row per item or decision. Start with what you know.

Cost	Estimate	Actual	Difference
