Pantry staples reorder list

Keep a small list of staples that actually need replacing.

Three steps

1. Check current stock
2. Choose sensible minimums
3. Add only needed items

A worked example

Staple	Rice
On hand	1 bag
Minimum	2 bags
Buy	1 bag

Buy one bag to reach the chosen minimum.

Check safe storage and dates.

Pantry staples reorder list

Use one row per item or decision. Start with what you know.

Staple	On hand	Minimum	Buy
