Room condition photo index

Keep dated photos organized for a move-in or move-out record.

Three steps

1. Photograph condition safely
2. Label each photo
3. Store private originals

A worked example

Room	Hall
Observation	Existing scuff
Photo reference	H01
Date	Dec 1

H01 links to the dated observation.

Not legal advice; follow your agreement.

Room condition photo index

Use one row per item or decision. Start with what you know.

Room	Observation	Photo reference	Date
