# Supplier total landed cost

Compare supplier prices after shipping and fees.

## Three steps

1. Request equivalent quantities
2. Add shipping and fees
3. Compare delivery terms

## A worked example

| | |
|---|---|
| **Supplier** | Supplier A |
| **Goods** | 200 |
| **Shipping** | 35 |
| **Fees** | 15 |
| **Total** | 250 |

**The total is 250, not 200.**

Confirm tax and customs requirements.
